<input type="checkbox"/>	200GB Prepaid	\$2,200.00		200000MB

Please note: the 3072K & 4096K are all 4 wire services.

The service can also be invoiced on a quarterly basis, paid in advance. ADSL services are non-refundable; please refer to our Terms and Conditions, ADSL Service Specifications and Premium ADSL price list for further details. Excess downloads beyond the included MB allowance per month are charged monthly in arrears at 9.9 cents per MB. All plans have a minimum \$495.00 activation fee which depends on the location and service available in that location.

Phone Number to ADSL service to: ()

(If you have an alarm system attached to the above number, rewiring by your security company will be required if ADSL is provisioned)

Name of holder of phone service:

Street Address of phone service:

Suburb: State: Post Code:

Name on card:

What is your current email address (if any)?

We also STRONGLY recommend you have up-to-date anti-virus and firewalling software. Please call us for more information on (08) 8523 5035

Authorisation

Please sign and date this form to acknowledge your receipt and acceptance of the Vintek Terms and Conditions, the Vintek ADSL Service Specifications and all other documents relating to this service. Please note that ADSL services are not available in all areas or on all lines due to technical network constraints. Please allow a minimum 20 days for the provisioning of your service. If paying by credit card your card will be auto-debited each month for the subsequent month's access. There is NO CHARGE if we cannot provision ADSL on your line.
